Registration is free!

We hope you will join us!

Becker Education and Engagement Day (BEED) is an initiative that has been developed by Becker advocates, clinical sites, advocacy groups, and researchers to unite the Becker community. BEED aims to bring people together on December 2nd to learn about topics relevant to the Becker community, provide the latest research updates, and create an opportunity for those impacted by Becker to connect in person.

Where to find us!

Becker Education and Engagement Days will be held on December 2nd in four locations:

- **Sacramento, CA**
9:00 AM – 4:00 PM PST
- **Pittsburgh, PA**
12:00 PM – 7:00 PM EST
- **Aurora, CO**
10:00 AM – 5:00 PM MST
- **Gainesville, FL**
12:00 PM – 7:00 PM EST

It's time to **get real** about
Becker muscular dystrophy
